

To all our Sponsors and Volunteers

THANK YOU, THANK YOU!!

Thank you for your generosity and support of the Steve Ludzik Foundation; whose sole purpose is to help one person at a time; living with Parkinson's disease.

Our fundraising events for 2018 raised just over \$75,000 and without our community partners we wouldn't be able to continue making a difference through the Steve Ludzik Parkinson's Rehab Centre at Hotel Dieu Shaver Rehabilitation Centre.

But we need your help in 2019 to raise the bar! Our wait times are too high and like any business there are cost increases from year to year in order for us to offer this FREE 6-week program from our one of a kind PD Clinic.

We hope that we can count on you to help us move forward and hit the \$1 million mark!

Stay tuned for upcoming events for 2019!!
